ACT

Deadline for the February 11th ACT is January 13th!

FAFSA

In January you will need to start your FAFSA (Free Application for Federal Student Aid) process. All Seniors need to fill out this application. You will not receive TOPS monies if this form is not completed. If you are not going to receive TOPS, you still need to apply to see if you qualify for any loans or grants. You will need your parents help in filling out the financial part. I encourage you to complete this as soon as possible. The last possible date to submit is June 30, 2012. It is easier if you complete this when your par-

ents do their taxes. You can start this process by applying for a pin number at www.pin.ed.gov. Both you and your parents will need a pin number. You can then start your application at www.fafsa.ed.gov.

College Goal Sunday. February 26th from 2-4 p.m. at Delta Community College. You will receive info on how to fill out the FAFSA.

AHEC

If you are a Freshman, Sophomore, or Junior and interested in any of the health care fields, you may be interested in participating in

AHEC of a Summer program. Applications are due March 2nd. Go to www.nlahec.org to download an application. Remember you must have two letters of recommendation.

If you haven't applied to the colleges of your choice, you will need to go ahead and start the application process. Just go to the colleges webpage to find out their application procedures.
